QUESTIONS?

Ask us, please! We love to help and we want you to have great success with our bulbs.

#1 MISTAKE TO AVOID

Please DO NOT combine spring-planted and fall-planted bulbs on ONE order form because we can't deliver them together. Bulbs are harvested and delivered when it's best for the bulbs.

YELLOW GOES ON YELLOW

We've color-coded our catalog to help you with our fall/spring divide. Spring-planted bulbs are on pages flagged with yellow, while fall-planted bulbs are on pages flagged with orange. Please order ONLY yellow-page bulbs on this yellow order form.

MINIMUM BULB ORDER: $30

Please be sure EACH order for spring or fall (or a separate address) meets this minimum. Thank you!

SHIPPING CHARGES - Please figure for each season and address SEPARATELY.

EARLY BIRDS GET THE BULBS

We reserve bulbs for orders as we receive them – first come, first served – so ordering early is always a good idea. In fact, NOW is the best time to order, before we sell out of that treasure you want the most.

WE'LL SHIP THESE IN APRIL

We ship SPRING-planted bulbs from the first week of April into early May. Our cold and unpredictable Michigan weather prevents us from shipping safely before then.

IF THERE'S A CROP FAILURE...

We specialize in rarities that are often on the verge of extinction. We insist on authenticity and superb quality. And we're dealing with live bulbs grown by farmers at the mercy of weather that's increasingly unpredictable.

So we always ask our customers: if we can't deliver everything you order, what would you like us to do? Please fill in section 6 on the front of this order form to guide us. We want to make you happy! And if you ask us to sub, there's no need to figure exact dollar equivalents. We'll *always* send extra value.

PLANTING & CARE

We send a complete "How-To" with every order, and it's also available online at OldHouseGardens.com/PlantingAndCare.

OUR CATALOG & YOU

Once you've ordered from us, you'll get our annual catalog for two years, free. Customers may also ask us to send catalogs to anyone for free. We love your referrals!
